## Experience

2022-present

- **Youth Event Organizer – Tropinka Summer Programs**  
Actively participated in the annual organization of youth and community events, supporting logistics, registration, and participant assistance. Assisted attendees by answering questions, providing guidance to participants, and directing them to the appropriate resources. Worked closely with organizers to ensure smooth operations, while maintaining a welcoming and supportive environment. Developed adaptability, problem-solving, and teamwork skills in a dynamic setting with diverse groups of youth and families.

2019-present

- **Equipment and Community Support – CEW Organization**  
Held a consistent volunteer role within the community, assisting with equipment setup, sound management, and event coordination. Supported community members by providing information, addressing concerns, and ensuring all interactions were handled professionally and respectfully. Collaborated with staff and volunteers to create a positive and inclusive

environment. Strengthened communication, organizational, and technical abilities while gaining valuable experience in ongoing community service.
